

Saving the Past For the Future of the Arts

Jester Artspace, Inc. is a 501(c)(3) nonprofit organization working to save the historic Jester Farmhouse, for local artists of all disciplines and skill levels to use as meeting, working, and gallery space. The Jester Farmhouse is one of the few remaining modest pre-Civil War farmsteads that were once common in Northern Delaware. This holiday season, we are asking for your support.

\$50 Donors will receive a set of our one-of-a-kind “Twelve Days” holiday cards. Each card is part of a series that honors our history and our renovation efforts, created especially for our Artspace donors.

\$10 Donors will receive donors receive our adorable JAS logo button!

Please help us reach our goal!
